THE CITY OF TAMARAC

The **City of Tamarac** is a full-service City offering our residents a variety of services and programs. Located in central Broward County, Tamarac is ideally located with easy access to major highways, shopping, entertainment, and leisure activities.

The City was incorporated in 1963 by developer Kenneth E. Behring, and has grown from an active retirement community to a City that now boasts an average resident age of 45 and greater diversity than ever before.

As the City's tag line states, Tamarac is "*The City for Your Life*" — not only is it your City from the moment you are born, it also provides the quality and type of life you deserve throughout your lifetime.

There are many ways you can get involved in your community, whether in your homeowner's association or through one of the many sports leagues or community service organizations. This brochure provides you information on how to get involved through one of the City's Boards & Committees.

Boards & Committees

The Tamarac City Commission invites all interested City residents to apply for potential membership on an advisory board or committee. Section 2-56.2 of the City's Code, Residency Requirements, provides that "Each member of a board, committee or commission of the City of Tamarac shall be a resident of the City." Failure to be a resident of the City shall result in the forfeiture of the position on the board, committee or commission. This section does not apply to staff who have been appointed to a board, committee or commission as part of their work responsibilities. The City Commission may waive the requirements of this section.
