

Electronic Signature Affidavit

The undersigned hereby certifies that (s)he will act only for (her)himself or that (s)he is legally qualified to act on behalf of the business organization sought to be certified in all matters connected with its engineering / architect / contracting / land surveying business as stated in Florida Statute 481.221 and 472.025.

Authorization. The Undersigned architect, engineer, or contractor (“Undersigned”) understands that (s)he is authorizing City of Tamarac through its Building Department to accept documents electronically using the seal and signature appearing below. Upon receiving any documents authorized by the seal and signature below, City of Tamarac will assume that the documents were sent by the Undersigned. It is the Undersigned’s obligation to maintain its information in a secure environment to ensure that all documents electronically submitted are in fact submitted by the Undersigned.

Suspension/Termination. If the Undersigned believes the security of the digital signature has been compromised or simply wishes to terminate the use of the electronic signature, (s)he must file a written notice of suspension/termination with the Digital Records Custodian, Building Department, 6011 Nob Hill Road, First Floor, Tamarac, Florida 33321. Within 15 days after the receipt of the notice of suspension/termination, City of Tamarac will suspend and/or terminate this authorization for the electronic submission of documents based upon the Undersigned’s written notice. If the Undersigned believes the digital signature has been compromised, City of Tamarac Building Department will take the necessary steps to help the Undersigned determine which documents were submitted improperly and may attempt to stop work authorized by a security compromise. City of Tamarac does not have an obligation to stop any work completed in the Undersigned’s name pursuant to a security compromise or to take any action against the person/entity that improperly used the Undersigned’s electronic seal and signature. The Undersigned, not City of Tamarac, will ultimately be responsible for protecting its interests if a security compromise occurs. If City of Tamarac takes any action to force a third party who has improperly used the Undersigned’s electronic signature and seal to stop work associated with the improper use of the seal/signature, then the Undersigned agrees to indemnify City of Tamarac for all expenses, costs, and fees associated with that action including court costs and attorney’s fees.

With good cause and without notice, City of Tamarac, at its discretion may temporarily suspend or terminate the Undersigned’s authorization to electronically submit documents.

Liability Resulting from Use. The Undersigned understands and agrees that City of Tamarac, its officers, elected and appointed officials, attorneys, agents, and employees will not be liable for any damages, harm, or injury that result from the use of the electronic seal or signature regardless of how the harm, damage, or injury occurred. If any dispute arises from the use of an electronic seal or signature, that matter may be resolved by a court of law, with venue for any action lying in Broward County, Florida.
